**APPLICATION FOR SOLICITATIONS, PICKETING,  
& RELATED ACTIVITIES**

**General "Non-Public Forum" Statement:**

The airport terminals, streets, sidewalks, parking lots and adjacent facilities of the Jacksonville Aviation Authority (JAA) are considered "Non-Public Forums," the express or principal purpose of which is not to promote the free exchange of ideas but to facilitate, process and serve the traveling public in getting to and from airline flights and moving into and out of the airport terminal areas in a safe, secure, convenient and efficient fashion. As such, JAA has a legitimate interest in such things as: (i) protecting against disruptions to the normal flow of traffic for the convenience of its traveling public; (ii) instituting reasonable and content or viewpoint neutral restrictions that are consistent with our legitimate interest in preserving the lawfully dedicated use and purposes of our airports and adjacent facilities; and (iii) establishing time, place and manner boundaries in an effort to permit limited speech in designated areas that, in no way, impact the protections and/or discretion afforded us pursuant to our "Non-Public Forum" designation.

To that end, the application below is provided for your convenience. Should you complete and return this application within 10 calendar days prior to your requested date and time, we will review and provide a timely response to the same. Your immediate attention to this matter is appreciated, as: (i) an appeal process is governed by Section 1-22 of JAA's General Rules and Regulations (JAA reserves the right to institute an abbreviated appeal process or consider a denial hereunder as final agency action); and (ii) time, place and manner restrictions may dictate limited space availability that, in turn, may result in approvals being granted on a first come, first served basis, based upon the maximum available capacity for the established space (no more than 10 persons promoting the same matter will be permitted at an airport at any one time).
