Questions

Q1. Which compactors are JAA-owned versus vendor-owned, and what is their condition?

R1. JAA owns all compactors. JAA has replaced two in the last two years and anticipates replacing one each year.

Q2. What has been the annual spend on compactor repairs and maintenance?

R2. This amount will vary based on needs.

Q3. Can you provide the last 12 months of actual haul data by container type?

R3. See Attachment No. 3. The available data provided in Attachment No. 3 is for JIA only.

Q4. What is the current monthly invoice with the incumbent, all-in?

R4. See Attachment No. 3. The available data provided in Attachment No. 3 is for JIA only.

Q5. How often are on-call containers actually serviced each month?

R5. Typical service could be 1-2 times. If frequency increased, JAA would move to a regular weekly pickup.

Q6. What is the true after-hours and weekend service volume?

R6. Weekend and after hour services are rarely needed. See Article III, Section 3.05 Conditions and Work Hours.

Waste and Recycling Collection Services**

**Addendum No. 01
Release Date: May 11, 2026**

Q7. Which locations require SIDA badging or AOA access?

R7. Jacksonville International Airport is the only location SIDA and AOA are required.

Q8. How many badged personnel does the current provider maintain?

R8. The vendor has all necessary personnel badged to complete the required services.

Q9. Are there specific disposal facilities required for each waste stream?

R9. The Respondent is responsible for disposal.

Q10. Are there known recycling contamination issues or problem locations?

R10. None identified.

Q11. What are the biggest service issues with the current provider?

R11. None identified.

Q12. Are there access issues or frequently blocked containers we should know about?

R12. JAA staff is available to assist if there are any blockage or access issues.

Q13. How many roll carts are in circulation and how often are they serviced they get dumped in the other dumpsters onsite?

R13. There are 6 20/30 yard containers which are hauled away and dumped.

Q14. Can we have a separate price sheet per location due to distance and landfill costs?

R14. No.

Q15. The pricing reflected in Article IV – Bid Form is inconsistent with the current Exhibit D. Kindly clarify whether this includes additional services beyond those presently defined. Ex. Single Stream Carts, Yardwaste Rolloffs, 8yrd Compactor

R15. See Attachment No. 1 and Attachment No. 2

Q16. Please provide the current pricing for front-load and roll-off services as outlined in Exhibit D. Ex. Per Haul and Per Tonnage Charge.

R16. See Attachment No. 1, Attachment No. 2 and Attachment No. 3.

Q17. If landfill rate increases, can the tonnage rate increase?

R17. Respondent is responsible for pricing.

Q18. How often do you require Sunday service?

R18. See R6.

Q19. Are all compactors owned by JAA?

R19. See R1.

Q20. Can towing company, if needed, be escorted or need SIDA?

R20. JAA does not anticipate towing will be needed during this contract.
