## Statement of Commitment Disadvantaged Business Enterprise (DBE) Program

JAA has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (USDOT) Title 49 Code of Federal Regulations Part 26. JAA receives federal financial assistance from the USDOT and as a condition of receiving this assistance, JAA has signed an assurance that it will comply with 49 CFR Part 26.

## CURRENT PROJECT

**RFP No.: 19-04-43101 – Concessions Consulting Services**

## PROJECT GOAL

The DBE goal for this project is **10%** to be performed by DBE firms properly certified at the time of bid, which firms must possess DBE certification in the specific area(s) or scope(s) of work for which they are being proposed for the above-referenced project. Consistent with 49 CFR 26.53, any bidder of the opinion that it is not able to meet this DBE goal must submit with its bid documentation for JAA's review and sole determination as to whether or not the bidder has sufficiently demonstrated that it has made "good faith efforts" in attempting to meet the DBE goal for this project.
